# SEASONS

*Since 2014, every year about 150 shows are performed to an international audience, which gets larger year after year.*

*Shows take place five times a week in the gorgeous "Nazarena" theatre with 120 seats, in the heart of Taormina.*

*Sunsets from the terrace of the theatre will indeed delight your sense letting you appreciate every hint of Sicily. Shows are divided into two parts and during the break a typical aperitif is offered on the terrace*
